Extract from the report of the Government Press Enquiry committee C.No.78403 C2/49.

8. The Committee also suggests that a rule should be framed prescribing that no officer who is having any interest in a private press should be promoted to a gazetted rank and that the arising of any such interest newly will be sufficient ground for reverting an officer from Gazetted rank. In this connection the committee invites attention to principle underlined in para 72 and 154 (4) of the P.W.D. Code.

The above extract may be sent to Public (Services) for consideration of the question of arising G.S.C. Rules on the above lines.

I am not sure this deserves to be made into a rule. Are there no provisions already in the G.S.R regarding interests in property with which one's work is connected.

J.M.L

Please see rule 11 of the G.S.C. Rules. It may fairly be presumed that depending on the official influence of a relation in the Press a person can invest money in the purchase of Printing machine for getting through work entrusted by the Government Press. Please put up extracts of the P.W.D Code quoted above.

With reference to the orders of A.S. at the bottom of P.1 ante extracts of P.W.D. Code paras 72 and 154 (iv) are put up at flag(K)

No amendment to any rule seems necessary. Perhaps an order may be issued to the effect that persons holding gazetted posts in the Government Press or other responsible posts in the subordinate services in the Press, should have no pecuniary or other interest in any private press, directly or through relatives.
